GETS HER DOWRY AFTER LONG YEARS

Judge De Bolt has decided down a decree in the matter of Maria Barreto vs. William Sayidge, trustee, et al., which has been hanging fire in the courts since the memory of the oldest inhabitants. The action is on a petition for appointment of dowry.

The judge orders that Maria Barreto shall, in release of all her right and claim against the estate of Jose, The off, Little, and Manuel Barreto, shall receive from William Sayidge, trustee the sum of \$1000. A fee of \$100 is also awarded J. L. Lefebvre for his services as guardian to the above named minors. Sayidge is also to pay two-thirds of the costs of court, including a \$125 attorney fee. The other third is to be paid by the plaintiff.

Sayidge is authorized to negotiate a mortgage on the property of the minors to defray the above expenses.

POLICE COURT FINES AND KAUAI COUNTY

The Garden Island of February 1 says:

Some of the agues gathered at the several police courts are rather interesting in view of the plan to work for the transfer of these judicaries from the Territorial to the County budget.

The amount collected by the District Magistrates on this island for the year just concluded was: At Waimea, \$792.65; Kohala, \$914.50; Limah, \$837.50; Kauaihan, \$572.00; Hanalei, \$576.10 Total, \$2122.65.

Saying that the total amount of the salaries received by the District Judges on Kauai amounts to \$2300 it appears that the county would have been \$677.35 behind. If the transfer had been made a year ago, no equivalent had been given the country in the tax distribution.

THE REAL TEST.

Of Herpicide Is In Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do what it is intended to do. Many hair vigor in a look nice and smell nice, but the point is, do they eradicate dandruff and stop falling hair?

No, they do not, for Herpicide does because it goes to the root of the evil and kills the germ that attacks the scalp from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that New-Herpicide stands the "test of time."

It is a delightful dressing, clean, pure and free from oil or grease.

Sold by leading druggists. Send for stamp sample to The Herpicide Co., Detroit, Mich. Hollister Drug Co., special agents.

Work on the new Kalibiwawa school building has commenced under the supervision of the Burrell Construction Co., who have the contract.

Hollow concrete blocks, manufactured on the spot, is the principal material to be used. It will be the first building of its kind put up in Hawaii, and the cost will be much less than if constructed of wood.
